

# ACCA Awards of Excellence 2024

The ACCA Awards of Excellence highlight individuals (or organizations) dedicated to improving the quality of life of the people in their care.

## ALBERTA CARE PROVIDER OF THE YEAR AWARD

Awarded to front-line care providers who have demonstrated exemplary client care through a commitment to quality, compassion, excellence, and enriching clients' lives.

- Specific examples are required to support how the care provider has demonstrated exemplary client care, which must illustrate care beyond normal, day-to-day interactions and expectations.
- Documentation to support the care provider's eligibility is encouraged (and could include photos, videos, comment cards from residents/families/colleagues, already-received accolades, and supervisor recognition).

## ALBERTA VOLUNTEER OF THE YEAR AWARD

Awarded to continuing care sector volunteers who have demonstrated exemplary client care through a commitment to quality, compassion, and excellence and enriching clients' lives.

- Specific examples are required to support how the volunteer has demonstrated exemplary client care.
- Documentation to support the care provider's eligibility is encouraged (and could include photos, videos, comment cards from residents/families/colleagues, already-received accolades, and supervisor recognition).

## LIFETIME ACHIEVEMENT AWARD

Awarded to individuals who have demonstrated exemplary client care and/or a commitment to quality, compassion, excellence, and enriching clients' lives over the course of more than 10 years in the Continuing Care sector.

- Specific examples are required to show how the individual has demonstrated a commitment to supporting the continuing care sector.
- The individual does not need to be a front-line worker or ACCA member.

## INNOVATOR OF THE YEAR AWARD

Awarded to organizations, or individuals, who have demonstrated an innovation they have developed, or introduced within the sector to improve the quality of care delivered.

- Detailed information regarding how the innovation can be attributed to the nominee.
- The innovation can be described as something new that has not been attempted or implemented before, either at a particular site or with an individual.
- Nominees should be able to describe how they challenge the status quo in some way.
