

Participate in Research to

Co-design a Caregiver-Centered Care Champions Community of Practice

Are you a health or social care provider who is interested in Championing Caregiver-Centered Care and making Family Caregivers visible and supported in your organization and communities?

Then we are inviting you to participate in a study to co-design a Caregiver-Centered Care Community of Practice.

What will I be asked to do?

- We are asking you to participate in 3 one-hour meetings on Zoom.
- Prerequisite: complete at least one of the Caregiver-Centered Care Education modules (Foundational, COVID-19, Advanced, Champions) The education is free online at www.caregivercare.ca
- We are offering an honorarium for co-designers.

To participate contact:
